

Kill Shot An Abram Kinkaid

Kill Shot This is a pretty good start to a series. Fairly well written and easy to read, with only a few minor mistakes. The author did some straying into personal political issues masked by making the forays the pov of the main character, but managed to limit them without ruining the story.

Kill Shot (An Abram Kinkaid Thriller #1) by Cameron Blake

When ex-Navy SEAL Abram Kinkaid is recruited to assassinate the Prime Minister of Canada by a rogue outfit that claims to have the United States' best interests in mind, the demons of his past quickly return to haunt him.
