

Kill The Father The Richard

Fascinating and unique, Kill the Father promises to be the breakout novel from Sandrone Dazieri for English readers. Richard praises how the story 'revs through the chapters like a finely tuned Formula One racing engine', while Judy recommends sleeping with the light on for a while after finishing this book.

Richard and Judy Introduce Kill the Father by Sandrone Dazieri

Sandrone Dazieri. Dante Torre spent eleven young years in captivity - held by a man known only as The Father - before outwitting his abductor. Now working for the police force, Torre's methods are unorthodox but his brilliance is clear.
